4.0 Funding – Canada Summer Jobs

Must have less than 50 employees on payroll.

<https://www.canada.ca/en/employment-social-development/services/funding/youth-summer-job.html>.

5.0 NSERC Experience Award

The objective of the program to provide financial support to organisations that may stimulate an interest from students in research within natural sciences and engineering, with the hope of students pursuing graduate studies and/or a career within the fields.

Maximum \$4500 awarded to the organisation for a 16 week tenure to be used as a subsidy for student wages. Students must be enrolled in a bachelor degree program in natural sciences or engineering, and have a cumulative average mark of a B.

Natural Sciences and Engineering Research Council of Canada (NSERC) – NSERC supports university students in their advanced studies, promotes and supports discovery research, and fosters innovation by encouraging Canadian companies to participate and invest in postsecondary research projects. We apply for the Undergraduate Student Research Awards.
